

RUDOLF THE BLACK NOSED RAM

Rudolf the black nosed ram
Whose so cuddly and calm
With his jet black nose
That matches his toes
His cute eyes watches
Wherever he goes He misses nothing
Goodness knows

Rudolf's busy day in and day out
There's something to do without a doubt
Grazing grass and grazing weeds
Is just what Rudolf really needs
To have enough healthy feeds

His woolly coat so cuddly and white
Keeps Rudolf warm both day and night
To keep himself cool in a strong sunlight
He shelters beneath the trees in daylight.
