

THE NORWAY SPRUCE

The Norway Spruce
Is a traditional tree
It looks as pretty as can be
When put in a stand
And watered each day
It stays as fresh as a daisy that way

The children excited as can be
Helping to decorate the tree
Putting the Lights and Tinsel on
Has them singing a Christmas Song

Pretty Lights twinkling bright
Like little Stars in the night
Baubles and Tinsel dangling low
Now the tree is all a glow

Will Santa get a fright
On Christmas Eve Night
No I don't think so
When he sees the sight

The Wonderful Tree
So tall and bright
Will give Santa Claus
Some light that night
